Tema: “Going to” – Planes y decisiones

DIÁLOGO

Contexto: Las cuatro hermanas se reúnen un sábado por la mañana en la casa de Mercedes para hablar de sus planes del mes.

Mercedes: I'm so glad you're all here. I'm going to make some coffee. Do you want some?

Evelyn: Yes, please. I'm going to need it. I slept only five hours.

Fiore: Five hours? That's nothing. I'm going to start waking up earlier this month. I need more time to work on my new business project.

Luz: You're always working, Fiore. You should rest more. I'm going to pray for you to find balance.

Fiore: Thank you, Luz. I'm going to try. But this project is important. I'm going to meet with an investor next week.

Evelyn: Really? I'm going to help you review the financial plan before the meeting.

Mercedes: That sounds serious. I'm going to prepare a special dinner for you the night before. Good food brings good luck.

Fiore: I love that idea. And what about you, Luz? What are you going to do this month?

Luz: I'm going to organize a charity event at the church. We're going to collect clothes and food for families in need.

Evelyn: That's beautiful. I'm going to donate some things.

Fiore: I'm going to promote the event on my business page. People love helping when they see a good cause.

Mercedes: And I'm going to cook for the event. I'm going to make empanadas, pastelitos, everything.

Luz: Perfect. And Evelyn, besides helping Fiore, what are you going to do?

Evelyn: I'm going to take a short online course. Something about tax updates. I know... boring.

Fiore: Not boring. Useful. I'm going to need you when tax season comes.

Mercedes: And I'm going to start exercising again. I say it every year, but this time I'm serious.

Luz: We're going to support you, Mercedes.

Fiore: Yes! We're going to do a family walk every Sunday morning.

Mercedes: Every Sunday? Ay Dios mío... but okay, I'm going to try.

Evelyn: Look at us... We're going to have a busy month.

Fiore: A productive one.

Luz: A blessed one.

Mercedes: And a delicious one — because I'm going to cook a lot.

VOCABULARIO CLAVE

Investor – inversionista

Financial plan – plan financiero

Charity event – evento benéfico

Donate – donar

Promote – promocionar

Tax season – temporada de impuestos

Productive – productivo/a

PREGUNTAS DE COMPRENSIÓN

What is Fiore going to do next week?

What is Evelyn going to study?

What event is Luz going to organize?

What is Mercedes going to cook for the event?

What family activity are they going to start on Sundays?

ACTIVIDAD (Role-play)

Los estudiantes se dividen en grupos de 4. Cada uno toma el rol de una hermana y deben improvisar nuevos planes usando going to.

TAREA

Escribir un párrafo de 8–10 oraciones describiendo sus planes del mes usando going to.

Martes 10 de febrero de 2026

Tema: For, Since & Ago – Duración y momentos en el pasado

DIÁLOGO

Contexto: Las hermanas se reúnen en la oficina de Evelyn porque ella necesita ayuda organizando documentos. Mientras trabajan, empiezan a hablar de cuánto tiempo llevan en sus rutinas, trabajos y cambios personales.

Evelyn: Thank you for coming, girls. I've been organizing these files for three hours, and I still have a lot to do.

Mercedes: Three hours? Ay no... I've been cleaning my house since 7 a.m., so I understand you.

Fiore: I haven't cleaned anything today. I've been in meetings for most of the morning.

Luz: And I've been at the church since sunrise. We had a special prayer group today.

Evelyn: You've all been busy. You know, I started working as an accountant fifteen years ago. Sometimes I can't believe it.

Mercedes: Fifteen years ago? Wow. I started cooking for the whole family more than twenty years ago.

Fiore: And I opened my first business eight years ago. It feels like yesterday.

Luz: I joined the choir since 2012. That's... fourteen years already.

Evelyn: Time goes fast.

Fiore: Too fast. I've been thinking about taking a break for a few days.

Mercedes: You should! I haven't taken a real break for months.

Luz: I haven't taken a vacation since last summer.

Evelyn: Same here. I've been working nonstop for weeks.

Fiore: Maybe we should plan something together. A small trip.

Mercedes: A trip? I haven't traveled for years.

Luz: That's exactly why we should go.

Evelyn: When was the last time we traveled together?

Fiore: Hmm... I think it was ten years ago.

Mercedes: Ten years? Dios mío... we're overdue.

Luz: We've been dreaming about a sisters' trip for so long.

Evelyn: Then let's do it. After this busy month, we deserve it.

Fiore: Agreed. But first... Evelyn, how long have you had these files here?

Evelyn: Honestly? They've been sitting on that shelf for six months.

Mercedes: Six months? Evelyn!

Evelyn: Don't judge me. You've had that broken blender in your kitchen since last year.

Mercedes: Touché.

Luz: And I've had the same phone case for five years.

Fiore: Five years? Luz, that's a miracle.

Luz: It's blessed.

Evelyn: Anyway... let's finish this. We've been talking for too long.

Fiore: True. But it was a good conversation.

Mercedes: Always is.

Luz: And we've been sisters since forever — that's the best part.

VOCABULARIO CLAVE

Shelf – estante

Nonstop – sin parar

Overdue – atrasado / pendiente

Sunrise – amanecer

Prayer group – grupo de oración

PREGUNTAS DE COMPRENSIÓN

How long has Evelyn been organizing files?

Since when has Luz been at the church today?

When did Fiore open her first business?

How long has Mercedes been cooking for the family?

When was the last time the sisters traveled together?

ACTIVIDAD

En parejas, los estudiantes hablan de su vida usando for, since y ago.

El profesor da tarjetas con temas:

Work

Hobbies

Family routines

Personal habits

Travel

Cada estudiante debe decir mínimo 6 oraciones usando las tres estructuras.

TAREA

Escribir un párrafo de 10 oraciones describiendo cuánto tiempo llevan haciendo diferentes actividades en su vida (trabajo, estudios, hobbies, familia, etc.).
